

QILEBLEBOSH GAME INSTRUCTIONS

This game is played using 5 small pebbles. You can only use ONE hand to play!

1. Put all 5 pebbles on the ground in front of you.
2. Pick up one pebble.
3. Throw it up in the air; while it is in the air, quickly grab one of the 4 remaining pebbles on the floor, and with the same hand, catch the air bound pebble as it comes down.
4. Now you have two pebbles in your hand.
5. Throw one pebble up in the air and keep the other pebble in your hand; grab a third pebble from the ground and catch the air bound pebble as it comes down.
6. Now you have three pebbles in your hand.
7. Keeping two pebbles in your hand, throw the third pebble in the air, and grab a fourth pebble from the ground; catch the air bound pebble as it comes down.
8. Now you have four pebbles in your hand.
9. Keeping three pebbles in your hand, throw the fourth pebble in the air, grab the last pebble from the ground, and catch the air bound pebble as it comes down.
10. Next keep one pebble in your hand, and place four pebbles on the ground in pairs.
11. Toss the pebble in the air, and quickly grab a pair of pebbles from the ground, and catch the air bound pebble as it comes down.
12. Now you have three pebbles in your hand.
13. Keeping two pebbles in your hand, toss the third pebble in the air; grab the other pair off the ground and catch the air bound pebble as it comes down.

14. Now you have 5 pebbles in your hand.
15. Toss one pebble in the air, and put the other 4 pebbles on the ground in front of you, and catch the air bound pebble as it comes down.
16. Toss the pebble in your hand back up in the air, and quickly grab all four pebbles in one grasp, and catch the air bound pebble as it comes down.
17. You have all five pebbles in your hand!
